

WORD LIST

Compassion – Caring and taking action when others need help. *We show compassion when we help others in need.*

Environment – The natural world including land, air, oceans, and so on. *We must protect the environment because we care about our planet Earth.*

Recycle – The steps we take to make old things, such as newspapers, plastic, glass, and aluminum cans, into new products again. *When we recycle our garbage, we help the world from becoming a huge dump!*

Culture – The way of life, customs, traditions, and styles of food, art, and clothing of a group of people. *We can be proud of our own culture and still appreciate the differences of others.*

Diversity – A variety of differences. *It's great when our friends represent a diversity of cultures.*

Veterinarian – A pet doctor, sometimes called vet for short. *We must take all our cats and dogs to the veterinarian for their checkups and shots.*

Spay – When a vet fixes a female pet so she will not have babies. *It is very important to spay or neuter all pets since there are too many homeless animals.*

Neuter – When a vet fixes a male pet so he will not have babies. *When we spay or neuter our pets, we are part of the solution to pet overpopulation.*

Vegetarian – 1) Someone who chooses not to eat meat. 2) A food item that does not contain meat. *Many people are vegetarians because they believe it is wrong to eat animals.*

Habitat – The natural location and type of area where a plant or animal lives. *We must protect the natural habitats of wild animals.*

Informed – When you know about an issue. *It is important to study and learn about issues because being informed helps you to make smart choices.*

Activist – Someone who takes action to make things change. *An activist may write letters, make signs, give speeches, or take other steps related to things he or she believes in.*

Volunteer – To offer to help out without expecting to get any personal reward, such as a payment. *When we volunteer, we feel good about helping out.*
