Horse Rescue, Relief & Retirement Fund, Inc.

The mission of The Horse Rescue, Relief & Retirement Fund, Inc. (HRRRFI) is to improve the quality of life for all horses and thereby improve the lives of people through their human bond with horses. The organization is made up of volunteers with a mission to stop horses from being sent to slaughter or abuse.

Horses at this facility are rescued, retired, and/or rehabilitated from racetracks, pharmaceutical companies, abusive situations, injuries, illness, etc. Some of the horses are available for adoption; some need sponsorships. There are also resident therapy horses.

During this field trip, we will:

- Hear the stories of many rescued animals
- Learn what therapeutic riding is and how it may help persons with disabilities
- Learn about the value of caring for ALL lives
