

Canned Food Drive

Hi Friends and Neighbors!

This note is from your neighbor, _____.
As part of an event sponsored by Compassionate Kids, we are helping collect cans for the local food pantry.

We would love it if you could donate a few cans to help out those in need. Five or ten cans would be great (or more!), but even one or two will help!

We will be stopping by again on _____ date to pick up whatever non-perishable food cans you would like to donate. If you will not be home at that time, please just leave a bag on your front porch clearly marked "Canned Food Drive."

**THANKS FOR
ALL YOUR
HELP!**
